Dear Parents and Carers

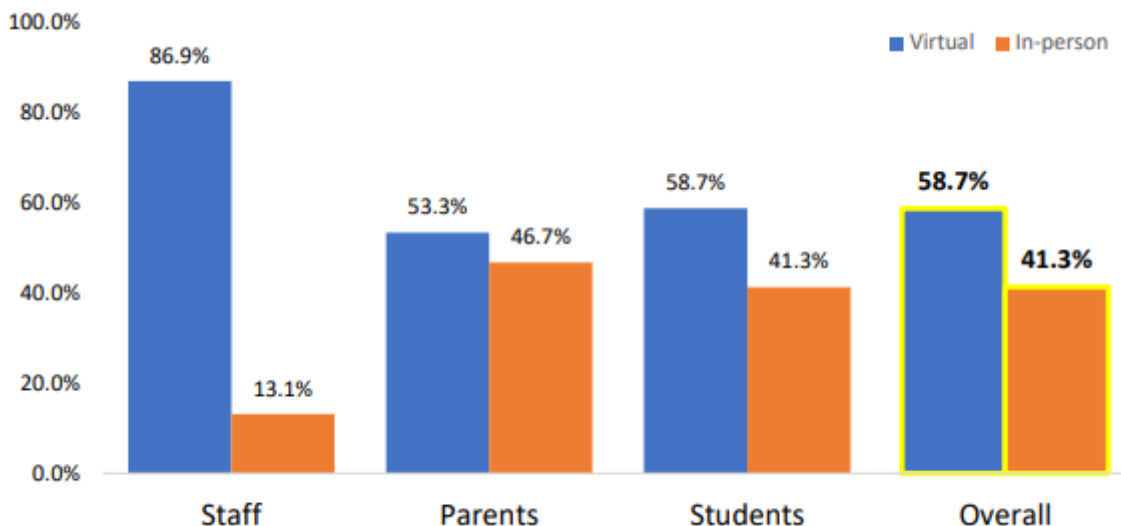

Re: Parents' Consultation Evenings for 2023-24 Survey Results

I hope this correspondence finds you having enjoyed a pleasant weekend.

As promised in my correspondence last month, please find the full set of results from the Parents' Consultation Evenings (PCE) for 2023-24 survey:

	Respondents	#		%	
		Virtual	In-person	Virtual	In-person
Staff	99	86	13	86.9%	13.1%
Parents	527	281	246	53.3%	46.7%
Students	732	430	302	58.7%	41.3%
Overall	1358	797	561	58.7%	41.3%
				66.3%	33.7% **

** Equal group weighting i.e. average of the group percentages

Average of group percentages

■ Virtual ■ In-person

Therefore, and as I stated in last month's letter, based on these survey results, the academy will be continuing with virtual PCEs next year. However, please note there will be a further survey in the summer term 2024, and as I have written to you to clarify on many an occasion over the years, as parents and carers, you have every right to request information and updates on your child's academic progress at any point outside of each annual PCE. Furthermore, you can of course contact the academy regarding any other matters should you wish to with the pathways to do so highlighted in the same letters.

I will conclude this letter by offering my genuine thanks and appreciation to 1358 sets of stakeholders who took the time to complete the survey.

Yours sincerely

Mr C A Wakefield
Executive Principal
