Plume College
16-19 Bursary Fund Policy 2023/2024

What is the 16-19 Bursary Fund?

The fund is made available from the government through its funding body, the Young People's Learning Agency (YPLA) for 16-18 year olds, to provide assistance to students whose access to, or completion of, education is inhibited by financial constraints or barriers. The new 16-18 year old bursary scheme has been put in place as a replacement for the Education Maintenance Allowance.

The fund is a fixed and finite sum and allocations may therefore not exceed the total sum available.

Who is eligible to apply for 16-19 Bursary Funding?

Students following government (YPLA or SFA) funded full time or part-time courses, who are 16 years and over and satisfy one or more of the following criteria:-

- Students aged at least 16 and under 19 years of age on 31/08/2023 who are in care, are leaving care, are in direct receipt of Income Support or the equivalent Universal Credit (UC), are disabled and in receipt of Disability Living Allowance (DLA) or Personal Independence Payments (PIP) and Employment Support Allowance (ESA).
- Students who are economically or socially disadvantaged and at risk of not taking up or continuing in their education. This group includes students with physical or other disabilities, medical conditions and/or learning difficulties.
- Students who have been in care, on probation, are young parents or are otherwise considered at risk.
- Asylum seekers
- Refugees (who will have access to 16-19 Bursary Funding if they are in receipt of supportive evidence from DWP).
- Lone parents

Who is not eligible for 16-19 Bursary Funding?

- Students under 16 years of age or over 19 years of age on 31/08/2023.
- Students who do not meet the residency qualifications

How does the School assess applications and allocate 16-19 Bursary funding?

The 16-19 Bursary Fund is a limited fund and the school will prioritise applications. The awards will be dependent on excellent behaviour, adherence to the Plume College Student Agreement and good attendance (minimum 90% attendance). Please note that the Plume College has been allocated a fixed sum for this Bursary Scheme and this includes administration costs. There will be three priority groups, categorised as high, medium and low.

Students under the age of 19 on 31/08/2023 and who fall into one of the following categories:

High Priority Group

- Young people in care, including unaccompanied asylum-seeking children
- Young care leavers
- Young people receiving Income Support (IS) or the equivalent Universal Credit (UC) in their own right.
- Young people receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIP) and Employment Support Allowance (ESA) or Universal Credit (UC) in their own right.

Eligible students may be entitled to £1200 bursary plus support for other costs such as transport, equipment etc. Payments will be made on a half termly basis (i.e. six times per year)

Medium Priority Group

- The student is eligible for a free school meal
- The student lives in a household where the parent(s)/guardian(s) are in receipt of income support

Eligible students in this group, if they apply to the 16–19 Bursary Fund by 22 September 2023, may be eligible for a contribution towards:

- The cost of transport, essential course equipment, trips, uniforms, materials, etc. Please ensure you specify the full details and costs of essential equipment, books and trips as without this information we cannot accurately assess the level of financial support required.
- A possible cash bursary if aged under 19 on 31 August 2023, dependent on meeting agreed attendance and behaviour expectations as documented in the Student Agreement. This will be subject to availability of funds.
- Financial support towards childcare costs and exam re-sit fees if aged 19 or under on 31/08/2023

Financial support is dependent on meeting agreed attendance and behaviour expectations as documented in the Student Agreement. Payments will be made on a half termly basis (i.e. six times per year)

Low Priority Group

- Have a gross annual household income below £20,000 per annum and that no other income is available from another household to support the student.
- Documentary evidence is required to fully support the calculation of your household income including all relevant tax credits and financial support.

Those in the low priority group will be considered for funding based on the school allocation and subject to available funding after those in the high and medium priority groups have been awarded. In some cases awards may not be made until after 31 December 2023. Students in this group may get a **contribution** towards the cost of essential course equipment, uniforms and transport costs (they may also receive a cash bursary if they are under 19 years of age on 31/08/2023, if funds permit). **Applications must state what the identifiable need is and evidence provided to support this.** *Payments will be made on as needed basis.*

Financial support is dependent on meeting agreed attendance and behaviour expectations as documented in the Student Agreement.

What can the money be spent on?

The fund is available for the purchase of books, transport, meals or other course-related costs needed to assist young person whilst they remain in education.

If I am in one of the eligible groups what evidence will my school need to see?

If you are receiving income support you can provide a letter from the Department of Work and Pensions setting out the benefit you are entitled to. If you are in care or a care leaver, the local authority will be able to provide a letter for the school, college, or training provider confirming this. If you have any other financial needs you will need to show documentary evidence as to why you need financial support for the medium and low priority bursaries. Evidence relating to Free School Meal* eligibility and household income will be required.

*** Free School Meals criteria – do you qualify?**

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Income Support
- Income-based Jobseeker's Allowance

- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit

Advice on bank accounts?

Students aged 16 are able to open a basic bank account, which is offered by 16 members of the British Bankers Association. The basic bank account will allow for receipt of the bursary, including by cashless means, and will allow funds to be withdrawn via ATMs as well as via standing orders and direct debits where necessary.

- Bursary payments can only be made to the student's bank account.
- Payments should not be made into another person's account, except in exceptional circumstances where a student is unable to administer their own account.
- Payments may be made to a joint account, as long as the student is one of the account holders.
- If a student has a Post Office account, it should be noted that these accounts do not accept payments by BACS (electronic bank transfers).
- If a student has a Credit Union account, the student should check with the Credit Union that it will receive payments made by BACS.

How do I apply?

You should apply to the Plume College Office as soon as possible after admission in September but by the following deadlines: 22 September 2023, 12 January 2024 and 03 May 2024. Please use the Application Form attached and remember to include evidence to support your application.

What happens to my application form?

College Finance Committee

Our College Finance Committee will comprise of the Assistant Vice Principal - College, Finance Manager, College Manager and the Student Achievement and Progress Manager.

The College Finance Committee will sit in September 2023, January 2024 and May 2024 to assess each claim and authorise payments. Payments will be made to students after Panels have met and the regularity of payments will depend on the type of priority group.

High Priority Group	Payments will be made on a termly basis (i.e. three times per year)
Medium Priority Group	Payments will be made on a termly basis (i.e. three times per year)
Low Priority Group	Payments will be made on as needed basis.

Applications approved will be monitored and evaluated throughout the year and reports given to the Finance Panel regarding students failing to meet the conditions of the grant. The grant will be withdrawn at any time a student fails to meet the criteria.

Plume College may choose to pay the bursary as a cash payment or provide 'in kind' support, for example, by bulk purchasing equipment that eligible students need for particular courses. Transport costs may be bought by the school i.e. bus or rail tickets rather than allocating cash payment.

Please note: The bursary payment to schools is a fixed sum and not on a per student basis. Plume College may have to vary the amounts of its bursaries to deal fairly with the numbers of eligible students in College.

If you think you are eligible for bursary funding, please contact **Mrs K Demes, in the College Office.**
