

Plume Academy 16 to 19 Tuition Fund Statement

September 2022

16-19 Tuition Fund

The Department of Education announced funding to support students whose learning was disrupted as a result of the COVID pandemic. This 16-19 Tuition Fund is available to all 16 to 19 providers such as Plume College and is ring-fenced for one-to-one and small group tuition.

The funding can be used to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted. The guidance indicates that the supported students must be on a 16 to 19 study programme and who have not achieved grade 6 or above in GCSE maths and/or English by age 16. All will be on a 16 to 19 study programme.

The subjects covered in the tuition will not be limited to English and maths but will be identified according to need and existing programmes.

Plume Academy commits to using the small group tuition funding that it has been given to mitigate against the impact of the pandemic on our study programme students. Sessions will be limited to three to five students per group and will be above and beyond normal timetabled hours. Students will be prioritised for small group tuition based on the guidance released by the Education and Skills Funding Agency (ESFA).
