Dear Parents and Carers,

**Re: Year 7 Annual Parent/Carer Survey 2021**

I hope this correspondence finds you and your family well. As you will be aware, our Year 7 team has put a significant amount of work and importance into our Year 6 into 7 transition process. Each year, we reflect upon our actions and the intervention that we put in place and how this has helped our Year 7 students to settle into life at Plume Academy.

I would be most appreciative if you could find a small window of time, in what I know are always extremely busy days, to complete our annual Year 7 Parents and Carers transition survey. As stipulated in the survey itself, each submission is treated confidentially and we simply compile our final statistics based on each individual input and response, and action plan accordingly.

Please click on this link to complete the survey:

Many thanks in advance of your support in this matter and we look forward to our new Year 7 cohort enjoying as successful a half term ahead as their first one!

Yours sincerely,

**Ms J Everett**
