17 June 2022

Dear Parent and Carer,

Event: UCAS Personal Statement Workshop

Date: Thursday 23 June 2022 (periods 1-3)

I am delighted to share with you a fantastic opportunity available to our Year 12 students from the University of Essex.

As I am sure you are aware, for those students considering Higher Education or University, they will need to start putting together that all important personal statement as part of their university application. At Plume Academy, we would like to make sure that every student has the support and guidance they need to make a successful application and as a result, we are working with the University of Essex to offer additional support.

For those students that require support in starting their personal statement, a 1-hour workshop will be provided. During this workshop students will be able to understand what makes a good personal statement and a successful application.

The workshop will be taking place on **Thursday 23 June** from periods 1 to 3, and students will be made aware of the time of their workshop following completion of a student survey.

Furthermore, we are extremely fortunate to have this support provided by such a prestigious university as The University of Essex has been rated among the Top 30 universities in the Complete University Guide 2022. I do hope that your child is able to make effective use of this fantastic opportunity.

Following my correspondence, if you have any further questions regarding the workshops, please do not hesitate to contact me via b.meltzer@plume.essex.sch.uk.

Yours sincerely,

Miss B Meltzer
Leader of CEIAG
