Dear Parents and Carers,

Re: New Year 7 Start

I hope this correspondence finds you and your family well.

We are very much looking forward to welcoming all Year 7 students to Mill Road Campus, tomorrow morning.

I am very conscious that whilst many students and families felt that the Transition Day helped to settle a few nerves, as the holidays are drawing to a close, those nerves may be creeping back in! Therefore, I have filmed a short video for the students today to hopefully offer some further reassurance for them.

Please see the link below, should you wish to share it with your child/children before their return tomorrow:

Please can I also remind you to ensure that the students bring a full water bottle with them as it will be vital that they remain hydrated throughout the day. Staff will equally be trying to help the students to keep cool by keeping the windows open and reminding them that they can remove their blazers in the classrooms.

Thank you again for your already tremendous support and if you have any queries, please do not hesitate to contact the team on the usual address of newyear7@plume.essex.sch.uk

Yours sincerely,

Ms Jo Everett

Assistant Vice Principal & Mill Road Campus Lead
