4 January 2023

Dear Parents and Carers,

Re: Start of the Academy Day – A Big Thank you!

I would like to take the time to thank you as our valued parents and carers for ensuring that the students of the academy adapted and ensured arrival for 8.25am ahead of our 8.30am start time.

Since our return yesterday, Tuesday 3 January 2023, Mr. Wakefield, Mr. Rose and I have been upon the academy gates at Fambridge Road from 8.20am – 8.35am and on both mornings, not a single parent or carer has arrived after 8.30am dropping off a student for the academy.

Your continued support and assistance with ensuring our students value the importance of punctuality and developing their understanding that time keeping is a key attribute that any future employer would be looking for is hugely appreciated.

I wish you all the best in 2023 and welcome your support going forward in this academic year.

Yours sincerely,

Mr. A Stoneman
Vice Principal and
Designated Safeguarding Lead
