7 June 2023

Dear Parents and Carers,

Re: Blazers – Summer Term 2

We hope this correspondence finds you and your family well. We are writing to you, as we enter Summer Term 2, and considering the expected improvement in the weather, we will be permitting students from **Monday 12 June 2023**, to attend the academy without a blazer if they wish to do so.

As an academy, we will still expect students to have their pink exeat cards and blue expectation cards. If they do not have these on their person, they may receive a Head of Year reflection, as these are consistent expectations of our students. Students can still carry their blazers or place them in their bags so they are able to wear them in the event that the temperature changes. Jumpers, hoodies and coats will not be permitted to be worn inside the academy on any occasion.

Students will also be expected to adhere to other uniform non-negotiables. Shirts will be tucked into trousers, shorts and skirts, ties will be on and tied to a top button, that is done up, and shoes will all be black and full leather.

If you have any questions relating to students not being required to wear blazers during the final half term of this academic year, then please contact your child's respective Head of Year or Assistant Head of Year.

Yours sincerely,

Mr. S Meadows
Assistant Vice Principal
Fambridge Road Campus Lead

Ms J Everett
Assistant Vice Principal
Mill Road Campus Lead
