Dear Parents and Carers,

**Re: Online Protection Checklist for the Home – Internet Watch Foundation**

Following the recent Internet Safety Day that was hosted in February 2023, as a safeguarding team to ensure our culture of safeguarding and raising the importance that all stakeholders play in safeguarding the students of the academy, we felt it was important to share the following link:

<https://talk.iwf.org.uk/>

The academy works with many various organisations and gets numerous support links that can help students and their parents/carers to support their son/daughter and as an academy we look to ensure we share the one's that we feel are most relevant, current and supportive of our parents and carers.

Therefore, following our quality assurance of the following link, we would encourage all parents and carers to read the webpage to ensure they have the correct measures in place to ensure the safety of our students when accessing online content at home.

Furthermore, if you have any concerns or questions about keeping your child safe online, please do get in touch with your child's Head of Year or Assistant Head of Year in the first instance or myself, the academy's Designated Safeguarding Lead.

Yours sincerely,

**Mr A Stoneman**  
**Vice Principal**  
**Designated Safeguarding Lead (DSL)**
