8 July 2022

Dear Parents and Carers,

Re: Sports Week

Dates: Monday 11 July to Thursday 14 July 2022

Next week, Plume Academy are running a Festival of Sport Week for Years 7-10. This includes interform sports for each year group and culminates in a Sports Day at both FRC and MRC.

The **Festival of Sport Interform Events** take place on **the following days only** for each year group during **Periods 1-4 only**. All students in the year group will be on a variety of sporting competitions at this time and will not follow a normal timetable. **Period 5 is a normal lesson.**

Students should come to the Academy on their designated day in full and correct Plume PE kit.

Monday 11 July - **Year 8 at MRC**

Tuesday 12 July - **Year 7 at MRC**

Wednesday 13 July - **Year 9 at FRC**

Thursday 14 July - **Year 10 at FRC**

Key Stage 5 Students (sixth form)

- Year 12 remain in normal lessons throughout the week.

The long-term forecast for next week remains promising and all students are encouraged to wear sun-cream, a hat and bring a water bottle. In the unlikely event of poor weather, and if the events need to be cancelled, an "in touch" message will go out to parents/ carers the night before the festival/ sports day to give prior warning of a return to normal lessons.

If you have any questions regarding the week, please do not hesitate to contact either Mr Ainscough (Head of Faculty) or Mrs Bidgood (KS3 Co-ordinator for Physical Education).

Yours sincerely,

PE Faculty
