23 June 2022

Dear Parents and Carers,

Re: Year 10 Core Subject Mock Examinations

Further to my letter sent on 9 June 2022, I would like to inform you of specific details relating to the Year 10 core subject exams taking place during the week commencing Monday 27 June 2022.

Students participating in core subject exams in English, mathematics and science under formal conditions, will sit these exams in the Sports Hall and Stage Hall. Students with Exam Access Arrangements will sit the exams in other areas of the academy, with the necessary assistance they need as per their requirements.

The Year 10 pastoral team will share this information with students separately. It is our aim that students will gain valuable experience on how to conduct themselves in a formal exam, understand what is expected of them, and gain confidence when required to complete their formal exams in summer 2023.

Students not in exams will still have their usual timetabled lessons meaning their education provision for the academy day will remain the same either side of their mock examination.

Detailed information of the exam locations is attached to this letter. Students will sit in their exam location in their normal classes and will be in alphabetical order.

I very much look forward to seeing all Year 10 students have a positive experience that not only allows them to have confidence during their formal examinations, but also achieving their full potential.

If you have any questions relating to the examinations process, please contact Head of Year 10, Mr Farrow (c.farrow@plume.essex.sch.uk) in the first instance.

Yours sincerely,

Mr. S Meadows

Assistant Vice Principal

Fambridge Road Campus Lead
