

Uniform Policy

This policy has been approved by the Board of Trustees with reference to the academy's Equality Policy. The aims of the Equality Policy are to ensure that Plume Academy meets the needs of all, taking account of gender, gender identity, ethnicity, culture, religion, language, sexual orientation, age, ability, disability and social circumstances. It is important that in this academy we meet the diverse needs of students to ensure inclusion for all and that all students are prepared for full participation in a multi-ethnic society.

1. Aims

This policy aims to:

- >Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for our parents and carers.
- > Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- > Clarify our expectations for school uniform.

2. Plume Academy's legal duties under the Equality Act 2010

The <u>Equality Act 2010</u> prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our academy will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all students.
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back for health and safety reasons).
- ➤ Allow all students to style their hair in the way that is appropriate for attending the academy yet makes them feel most comfortable and at ease.
- > Support our students who wish to wear headscarves and other religious or cultural symbols that are of huge importance to them and their respective families.
- Allow for adaptations to our policy on the grounds of equality by asking students, or their parents/carers, to get in touch with Mr Stoneman, Vice Principal, who can answer any question posed about this specific policy.

3. Limiting the cost of academy uniform

Our academy has a duty to make sure that the uniform we require our students to wear is affordable, as highlighted in the latest statutory <u>guidance</u> from the Department for Education.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. Therefore, we will make sure our uniform:

- Is available at a reasonable cost.
- > Provides the best value for money for our families.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- ➤ Where possible, limiting any items with distinctive characteristics.
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties.
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes.
- > Keeping the number of optional branded items to a minimum so that the academy's uniform also acts as a social leveler.
- Avoiding different uniform requirements for different year/class groups.
- Avoiding different uniform requirements for extra-curricular activities.
- > Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels.
- Making sure that arrangements remain in place for parents to acquire second-hand uniform items.
- > Avoiding frequent changes to uniform specifications to further minimise the financial impact on our parents and carers.
- >Consulting with parents/carers and students on any significant proposed changes to the uniform policy.

4. Expectations for academy uniform

4.1 Our Academy's uniform

Our students will be continually encouraged to take great pride in their personal appearance and therefore, our academy uniform <u>must</u> be worn at all times. We also ask for your support and cooperation to ensure our students' uniform standards remain as high as possible.

Heels must be no higher than 4cm and we do not allow suede shoes, boots, sling-backs, wedges or trainers like 'Nike Air Max'. However, we do allow all black Nike Air Force 1s, Converse, All Stars, Puma and similar but again, they must be all black leather, examples of which are highlighted below.

*Optional Knitwear – Plain navy blue V-neck woollen jumper worn beneath the academy blazer <u>not</u> instead of the blazer.

Jewellery

A maximum of one plain, small stud or hoop to be worn in the lobe of each ear.

Items such as watches, bracelets, rings or necklaces may be worn, however, they must be removed during practical lessons.

Please note all these possessions remain the students' responsibility and we take no responsibility for the items if they are damaged or lost.

Make-up and Eyelashes

Make-up may be worn but must be discrete and where possible, in non-noticeable amounts.

Eyelashes may be worn whether it be extensions or glue on eyelashes.

Light mascara may be used to volumise eyelashes if required.

<u>Nails</u>

Coloured, painted, false or extensions of nails are permitted, however, this must be to a safe length that allows students to safely participate in physical activities whilst not causing any possible harm to themselves or others.

Hair must be a natural colour and must not be styled in an extreme manner. This includes tram lines being shaved in.

Year 11 will be offered the opportunity to purchase and wear a tie specifically for their year group (as supplied by the academy's uniform supplier).

Parents/carers of students who fail to meet the expectations highlighted in this document and in terms of the academy uniform will be asked to collect their son/daughter from the academy and to rectify the issues in question.

Parents/carers are then expected to return their son/daughter to the academy as quickly as possible that same day.

Uniform supplier arrangements

As an academy, we always seek to ensure that our uniform supplier, Anglia School & Sportswear Ltd, provide the highest priority to cost and value for money (including the quality and durability of the garment). Anglia School & Sportswear Ltd are the main supplier for the majority of secondary schools in this area and in line with the statutory guidance, our contract is retendered at least every five years to ensure the best value for money is secured.

Uniform prices may be subject to change

Whilst all prices quoted by Anglia School & Sportswear Ltd are relevant from April 2022, the suppliers reserve the right to increase costs in line with inflation as their costs are increased from additional material and transport costs. We hope this will not be the case, however, and it is important to note that the academy does not make any profit or receive any commission from the sale of uniform.

Second-hand uniforms ('Pre-loved Plume Academy uniform items')

As an academy, we have made available for several years now a second-hand uniform shop for parents/carers to acquire from our Mill Road Campus to provide an environmentally friendly and cost-effective option that is compliant with current legislation and guidance.

Second-hand clothing is becoming increasingly popular as it extends the life of garments, is more sustainable and therefore, more conducive for the environment. The second-hand uniform is staffed and managed by our fantastic Parent Voice Group, and all monies collected from this fund-raising activity are fed directly back into resources for our students.

Should you have any queries relating to our current second-hand stock, please do not not hesitate to contact Mrs Cross via 01621 854681 or pre-loveduniform@plume.essex.sch.uk

Furthermore, if you have any good condition, clean, academy uniform that is no longer required by your child, please do support the second-hand shop by donating these items. These can be brought into either academy campus reception at any time.

5. Expectations for our school community

5.1 Students

Students are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- >On the academy premises.
- > Travelling to and from the academy.
- At out-of-school events or on trips that are organised by the academy, or where they are representing the academy (if required).

Students are also expected to contact Mr Stoneman, Vice Principal, if they want to request an amendment to the uniform policy in relation to their protected characteristics.

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- > Clean.
- > Clearly labelled with their child's name.
- In good condition.

Parents and carers are also expected to contact the respective **Head of Year** or **Assistant Head of Year** if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics.
- The cost of the uniform.

Parents and carers are expected to lodge any complaints or objections relating to the academy uniform in a timely and reasonable manner.

Any disputes about the cost of our uniform will aim to be:

- > Resolved quickly.
- Dealt with in accordance with our ratified Complaints Policy.

The academy will always look to work closely with our parents and carers to arrive at a swift, mutually acceptable outcome.

5.3 Staff

Staff will closely monitor students to make sure they are in correct uniform. They will give any students and families breaching the uniform policy the opportunity to comply, but will follow up with the relevant sanctions from the respective Head of Year if the situation does not improve.

Ongoing breaches of our uniform policy will also be dealt with by the academy's ratified Behaviour Policy.

In cases where it is suspected that financial hardship has resulted in a student not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation as subtly and as swiftly as possible.

The use of Student Learning Credits

Pupil Premium Grant (PPG) funding is aimed at raising the attainment of Free School Meals students or students who have received Free School Meals in the past. Each student who is entitled to Student Learning Credits has £50 allocated to them in the autumn term and these credits can be used to purchase school uniform through our online uniform shop. Student Learning Credits are monitored by our PPG Achievement Coordinator. Therefore, should you have any queries about these arrangements, please do not hesitate to contact **Mrs. Frost** (*PPG Achievement Coordinator*) via 01621 854681.

5.4 Board of Trustees (BoT)

The Board of Trustees will review this policy and make sure that it:

- Is appropriate for our academy's context.
- Is implemented fairly across the academy.
- Takes into account the views of parents/carers and students.
- Offers a uniform that is appropriate, practical and safe for all of our students.

The BoT will also make sure that the academy's uniform supplier arrangements give the highest priority to cost and value for money, for example, by avoiding single supplier contracts and by retendering contracts at least every five years.

6. Monitoring arrangements

This policy will be reviewed annually by Mr Stoneman, Vice Principal. At every review, it will then be reviewed and approved by the Board of Trustees.
