Dear Parents and Carers,

## Re: Year 9 Human Papillomavirus (HPV) Vaccination

I am writing to you to inform you that the immunisation team will be visiting Plume Academy on Wednesday 19 April 2023.

Please find attached a letter detailing the vaccinations and further information regarding the diseases they protect your child from.

Included in the letter is a link to the consent form. This must be completed by Monday 17 April 2023 to ensure your child is able to be vaccinated at the arranged session.

Your sincerely,

Mrs L Wakefield  
First Aid Administrator
