

MOW/AST/GHA

Dear Parent/Carer,

I hope this letter finds you and your family well as we approach the start of the new academic year at Plume Academy.

As you may be aware, we have taken the opportunity to review and update several of our key policies to ensure that we continue to provide the safest and most supportive environment possible for our pupils. I am writing to inform you of these changes and request your formal agreement to adhere to these updated policies.

Firstly, we have updated our **Home-School Agreement**, which outlines the shared responsibilities of the school, pupils, and parents/carers in supporting each child's educational journey.

Secondly, our **E-Safety Policy** has been revised to reflect the evolving digital landscape and the importance of online safety for our pupils. This policy sets out the expectations and guidelines for the use of technology, both in school and at home.

Finally, our **Photography Agreement** has been updated to ensure that we have the necessary permissions in place for the use of images and videos of our pupils. In an age of increased digital sharing, we must have your consent to capture and utilise such media for educational and promotional purposes.

Please read the attached documents, then click and complete the form below, where you can review/sign each of these updated policies:

I would be grateful if you could complete this form by Friday 4th October If you have any questions or concerns regarding these policy updates, please do not hesitate to contact me or the school office, and we will be happy to assist you.

Reminder – Friday 04 October Plume Academy is closed for staff training.

Thank you for your continued support and partnership in ensuring the best possible experience for our pupils at Plume Academy.

Yours faithfully,

Mr M. Owen
