

STUDENT WORK PLACEMENTS

We are looking for local businesses that could provide a 1 week work placement for

**Year 10 Students from Plume Academy,
between the 14th to the 22nd July 2025.**

Could you take on a student?

What the student would need from you

- A contact name of the person within your company who will be able to provide information needed for the place to be approved.
- An email address for that person
- A telephone number which the designated person can be contacted on during the working day.

What the Academy will require from you as an employer

- To complete a short online form which will be sent from the online platform "Unifrog"
- Provide a valid copy of your employer's liability insurance for the period students will be on placement.
- Provide a copy of your Risk assessment if requested.
- A short online review of the student via the Unifrog platform after the placement has taken place.

**If your business would like to take on a Plume Academy student,
then please provide your email address to the student applying.**
