What will the first day, week and year be like?

Students should arrive for an 8.25am start on 4th September.

1. Students will line up on the **netball courts**.
2. Students will spend the first part of their morning with their **Form Tutor**. It is at this point that they will receive their **timetables** (no need for a PE kit on the first day).
3. Students can bring packed lunches or use the canteen (we will ensure that all students have time to eat their lunches).
4. The day will end at 3.10pm
5. If your child is getting the bus, it helps if they know what number bus they need to catch in order for our staff to help them.
4. **If students need more help they should go to Student Support (next to reception)**

'Effective systems track individual pupils' progress accurately. This now gives governors the useful information they need to support and challenge leaders effectively' Ofsted 2018
